Brief Description of the grant: (No more than 2 – 3 paragraphs) The Eloy Partnership works with teachers and administrators in four school districts to develop interactive television (videoconferencing) in Pinal County, Arizona. This year, the grant will assist in purchasing and installing a videoconference room in Eloy Intermediate School as well as helping to upgrade bridging services at Central Arizona College. Seventeen returning teachers will coach an additional 150 teachers with conducting videoconferences with their students. Teachers will collaborate with each other using videoconferencing. Eloy Elementary will be piloting the Math Tutor Training Program during fall semester. Thirty math tutors will be trained via videoconferencing.

Description of Professional Development Activities (25% of grant is for Professional Development): This year we will be focusing on helping teachers integrate videoconferencing in their classrooms. Seventeen returning teachers will act as coaches to help an additional 150 teachers conduct videoconferences with their students. Teachers will develop standards based lesson plans, schedule, and conduct videoconferences such in the form of virtual field trips or class to class collaborations. They will evaluate and reflect on their experiences. Teachers will also develop, schedule and share their own professional development activities.
